

If you had a magic gene in a lamp, what would be your three wishes?

What features would you add to the Mickey Mouse Clubhouse?

What Disney family would you want to go on a vacation with? Where would you go?

If you had Sophia's special amulet necklace, what animal would you talk to first? What princess would you want to come and visit?

What Star Wars character would you want to be for Halloween?

If you could eat breakfast with any Disney character, who would you choose? What would you eat and where?

Would you rather be in an Avengers movie or in a Star Wars movie? What would it be called?

If you could travel anywhere in the world in a house lifted with balloons, where would you go?
